

Dear Class,

I hope this letter finds you and your family doing well! I miss seeing you every day, but know that we can keep busy and make it through this time.

I've put together some things for you to work on at home. These pages are a nice review of skills and you should be able to do them by yourself, or with maybe a little help from your parents. Also, all materials are for you to keep!

I am also including several web pages that you can go to. Don't forget about going on IXL to review your math skills. It's important to read every day so I've included a brand new book for each of you!

Please don't forget to go outside on these nice days and get some fresh air!

If you want you can email me at my school email and I will get back to you as soon as I can. My email is: [cbonville@lfcasd.org](mailto:cbonville@lfcasd.org)

My best wishes to you and your family! I hope to see you all soon!

Love,

Mrs. Bonville
