How to Catch a Leprechaun

Leprechauns are fast and tricky. Here are some tips for catching one.

Tip 1: Leprechauns dress in green. They love that color!

Use green things to attract them.

Tip 2: Leprechauns love gold. Leave some gold out.

You can even make a sign saying there is free gold!

Tip 3: Leprechauns store their gold at the end of the rainbow.

Make a rainbow or use rainbow-colored things.

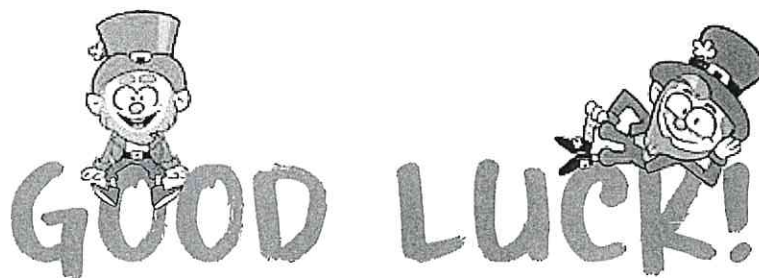

They might think there is gold nearby!

Tip 4: Leprechauns are tiny. They might get tricked into climbing ladders or get caught underneath something small.

Tip 5: Remember, leprechauns are from Ireland.

They love shamrocks. They love lucky charms.

And they are most active on St. Patrick's Day.
