

a_e

Late To a Date

Name: _____

Jake was late for a date with his friend Nate. Jake was skating to the lake where he was meeting Nate. Nate hates when his friends are late. As Jake raced on his skates he saw a snake. He was so scared he almost fell in a grate. He used his brake so he would not fall in. It was a close call. Finally Jake made it to the place at the lake where he was meeting Nate. He was 5 minutes late, but he was safe. Nate was mad but after he listened to Jake's tale and wasn't as mad anymore.

.....

1. How did Jake get to the lake?

2. What happened to Jake as he was skating?

Write 3 words with the a_e pattern.
