

Dear Students and Families,

We want to start by saying how much we miss our students and cannot wait to see them again! We hope that this time away from school flies by and that we are back in the classroom before we know it. Here are some review packets to work on while we are all out of the classroom. All of these pages were chosen by Mr. Hartman, Ms. Allgeier, Miss Macrina, Miss Ackerman, and Miss Tucker and are for review. These packets are just to help with practicing the skills we have already learned this year. These will **not be graded** and do not need to be brought back to school when it starts up again.

On these review packets, it is important to read the directions; however, many of these worksheets say to use scissors, use glue, or that you have to color. \*If you do not have any of these items, **you can just use what you have!** These will not be graded or collected.\*

In addition to these review packets, if you have access to a computer and internet at home, you are more than welcome to use the programs that we use in school. These programs can be found under the BHA tab under "Weblinks" on the [www.lfcsd.org](http://www.lfcsd.org) website. If you are not sure of your IXL username and password, it will likely be your first initial and last name. You may have a 1 or 2 after your name. (example: Jane Smith would be jsmith). The password is "ixl." \*You must access IXL through the [lfcsd.org](http://lfcsd.org) website.\*

Your health and safety is our biggest priority right now. During this time away from school, please be safe and take care of yourselves. We are thinking of you each and every day and we hope that you are able to make the most of this time away from school.

If you have any questions or concerns, please feel free to reach out via email to any of the 5<sup>th</sup> grade team! We will be in contact with you to the best of our abilities. Please continue to check the school website for updates and information.
