

Websites we use in the Classroom

Reading/ELA:

- www.lalilo.com- log-in information on the last page.
- www.readingiq.com- log-in is my e-mail address: nlamphere@lfcasd.org, or you can create a free account for your child.

Math:

- www.prodigygame.com- log-in information on the last page
- www.multiplication.com –this has addition, subtraction, multiplication and division on this website. Your child knows what they usually go on. –free to use, no log-in required.
- www.ixl.com – log-in information on the last page. Also, what grade level they should be on will be written on that page as well.

Both Math & Reading Skills:

- www.starfall.com – they can access this either on www.lfcasd.org, BHA Web links or just typing this website in. No log-in information is needed. We recommend our students utilize grades 1-3 on this website for all content areas.
- www.abcya.com - they can access this either on www.lfcasd.org, BHA Web links or just typing this website in. No log-in information is needed. We recommend our students utilize grades 1-3 on this website for all content areas.
