Dear Families,

We hope this letter finds all of you well and healthy. By this time you should have completed the packet previously sent home. Your new packet is enclosed in this folder.

The math is numbered and please try to complete one ELA sheet per day. There is also one spelling packet for you to do over the next two weeks. In addition, we have included a Social Studies map packet with other fun activities.

Also, please remember to read for pleasure daily, and use IXL as consistently as possible.

Now that the weather is getting nicer, try to get outside, play, and enjoy each other! If you have any questions, please feel free to contact us at our school email.

We miss all of you greatly, and hope that we are back at school soon!

Love,

Mrs. Congdon

Mrs. Ostasz

Mrs. Shea
