In accordance with Section 2-d of the New York State Education Law, the Little Falls City School District hereby sets forth the following Parents' Bill of Rights for Data Privacy and Security, which is applicable to all students and their parents and legal guardians.

- (1) Section 2-d of the New York State Education Law and the Family Educational Rights and Privacy Act ("FERPA") protect the confidentiality of personally identifiable information. Section 2-d and FERPA assure the confidentiality of records with respect to "third parties," and provide parents with the right to consent to disclosures of personally identifiable information contained in the child's education records. Exceptions to this include, but are not limited to, school employees, officials and certain State and Federal officials who have a legitimate educational need to access such records. In addition, the District will, upon request of parents, or adult students, or if otherwise required by law, disclose student records to officials of another school district in which a student seeks to enroll.
- (2) A student's personally identifiable information cannot be sold or released for any commercial purposes;
- (3) Personally identifiable information (PII) includes, but is not limited to:
  - i. The student's name;
  - ii. The name of the student's parent or other family members;
  - iii. The address of the student or student's family;
  - iv. A personal identifier, such as the student's social security number, student number, or biometric record;
  - v. Other indirect identifiers, such as the student's date of birth, place of birth, and mother's maiden name;
  - vi. Other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty; or
  - vii. Information requested by a person who the District reasonably believes knows the identity of the student to whom the education record relates.
- (4) In accordance with FERPA, Section 2-d and the District's policy on student records, parents have the right to inspect and review the complete contents of their child's education record.
